DOG FRIENDLY ATTRACTIONS

Parva Farm Vineyard

Parva Farm is a privately owned and run vineyard in the village of Tintern, South Wales. The vineyard produces award-winning wines, meads and sparkling wines for all occasions.

Dean Forest Railway

The Friendly Forest Line! The 4 1/2 mile line runs through beautiful woodland and countryside offering visitors a chance to experience the relaxing pace of a typical country branch line. With 5 stations along the way you'll have time to explore the local area, taking in woodland walks and country pubs or venturing down to the Severn estuary to explore Lydney Harbour with its fantastic views across the Severn.

The Sculpture Trail

Established in 1986, this four mile long Sculpture Trail was one of the first to open in the UK. The Trail features sculptures created by artists to interpret the Forest environment and the history of this very unusual landscape. It provides a unique opportunity to walk through the woodlands and discover art along the way. Perfect for all ages and abilities, you don't need to know about art to enjoy what you see.

Hillside Brewery

Hillside Brewery sits in the hills of Gloucestershire, at the edge of the Forest of Dean and be it the clear water, the quality of the ingredients or the lovely fresh air, they create some absolutely amazing beers and ciders. Choose from brewery tours, experience days or why not brew your own?
